**CONDITIONS OF APPROVAL**

1. Proof of application of water to beneficial use shall be submitted on or before **June 01, 2014**.
2. Subject to all prior water rights.
3. The waste water diverted under this right is subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place of use or manner of wasting it, or to recapture it.

State of Idaho  
Department of Water Resources

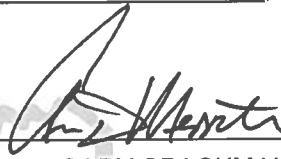

## Permit to Appropriate Water

NO. 36-16948

4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.
5. Prior to diversion of water under this right, the right holder shall install and maintain a measuring device of a type acceptable to the Department as part of the diverting works.
6. This right does not grant any right-of-way or easement across the land of another.
7. This right authorize the annual diversion of 22.5 acre feet to wildlife storage to be used for the initial filling of the pond and 21.4 acre feet for wildlife storage for the replacement of losses caused by evaporation from the pond which has an area of 7.5 acres. Right 36-16857 is associated with this same pond. This right allows for 6.00 cfs for flow through in the pond for wildlife purposes.
8. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 1<sup>st</sup> day of May, 2013.
