RE: Permit No. 85-7617

Dear Permit Holders:

The Department of Water Resources sent you an Application for Amendment form on February 2, 2013, for the above referenced Permit. The amendment is required because the field examiner who verified the water use established in connection with your permit reported that one or more elements of your water use differs from the permit. As of this date the Department has not received a response.

If I do not receive the amendment and \$100.00 filing fee within fourteen (14) days, I will assume you are no longer interested in obtaining a water right license and your permit will be voided. In case the amendment form I sent you has been misplaced, a new one is enclosed.

If you have any questions, please contact me as soon as possible at (208) 287-4920.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Hemenway".

Sandy Hemenway
Sr. Water Resource Agent
