Dear Joanie

My name is Bob Fellows, my brother recently died quickly of a heart attack and has left his wife broken hearted. I am trying to straighten out her affairs. I have talked at length about this with James and he was most helpful.

Enclosed please find a request for transfer of ownership, we would appreciate your help with it. In my conversation with James he said 13-2226 has a new number which is 13-7863 and has water rights in the name of Eldon Ben Bingham. Those rights along with others were transferred by the enclosed deed 30 years ago, but apparently change of ownership was not completed. Could you please make the transfer. We have just completed setting up a trust for my sister-in-law. If the ownership can be transferred to her trust, The Cindy L. Fellows Family Trust that would be great, if not, just a transfer to Cindy L. Fellows.

As I mentioned, she is devastated. I am handling her affairs, so please send all correspondence to me either by email at uglybob@plmw.com or 208-852-3366. In addition you can use the address above.

Joanie, thank you for your help and understanding with our difficult situation.

Warmest Personal Regards

Robert R. Fellows
