Subject: Ownership Change Water Rights 81-7106 and 82-12106

Sharon,

The Department of Water Resources received your request for a change of ownership on the above mentioned water rights. During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have attached a copy of the water right(s) for your reference.

Your deed lists your property in Township 32N, Range 04E, Section 29 SENE. Water Right 82-12106 would be appurtenant to this property. Water Right 81-7106 is a domestic right in Township 32N, Range 05E, Section 11 NENE and is NOT appurtenant to the property described on your deed.

The Department will need additional deeds to process the ownership change for 81-7106. If the Department does not receive additional information within 15 days, we will process the ownership change for 82-12106 only.

If you have any questions, please call this office. Thank you.
