Classification: UNCLASSIFIED
Caveats: NONE

All water rights applications must be signed by the Real Estate Contracting Officer in Walla Walla. I have just now received this letter and I have no idea where in this building it went. Would you mind ensuring all future correspondence to this address have "ATTN: Real Estate Division" so we can ensure it gets to this office. I will begin working on this immediately.

Thank you for the information.

Doug/Nancy,

On 2/12/2013, I sent the attached cover letter, Application for Amendment, map indicating the place of use and point of diversion, and a map indicating the place of use that would require an additional application for permit to be submitted.

Could you please forward this amendment to whomever is in charge of signing the amendment, and paying the \$100 amendment fee? If I do not hear back within 2 weeks, this permit will be denied.
