Subject: Application for Permit - Blackrock Subdivision

Dear Steve,

On behalf of Blackrock Subdivision Homeowners' Association Inc. (the HOA), we are pleased to submit the enclosed *Application for Permit* to develop a supplemental groundwater right for irrigation of residential lots and common areas within the subdivision. The HOA currently pays assessments to Boise-Kuna Irrigation District and provides irrigation water to its members through a pressurized irrigation delivery system.

Homes in the subdivision are currently under construction, but residential landscaping is not yet established on each lot. For this reason, we have provided a permissible place of use land description to allow flexibility in the development of the final water right.

The filing fee for this application is \$250.00 and payment is enclosed. Please contact me with any questions.

Sincerely,
