Re: Ownership Change water right #72-228B

Dear Mr. Windor,

In research, the Department found the ownership needs to be updated on the above water right. If you believe this to be your water right, A Notice of Change in Water Right ownership document is required to be submitted in order to do this. I have enclosed the required form. Please fill out the document, remembering to sign it and include the support documentation and the fee of \$100 (split right). Please return the completed document to the Department. Confirmation of change will be returned.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.
