Dear Ms. Hersley,

Mr. Jim Speck, Esq. is our attorney in connection with the Water Supply Bank Lease applications 37-604F and 37-7775F respectively and referenced in your e-mail below. Mr. Speck has indicated the application which starts at 11/15/13 is a typographical error and it should have read 4/15/13 (April 15, 2013).

I'm sure Mr. Speck will confirm this information on our behalf. Please advise and confirm if this response is sufficient for the corrective action sought in your e-mail. We also have no issue with the end dates of all leases being December 31st.

Thank you for all of your efforts and assistance in this matter.

Very truly yours,

Frank P. Willey

Frank,

The application which starts at 11/15/13 is a typo. It should be 4/15/13. Sorry. It's our mistake. Don't worry about the end date.

Jim

Karen McLane and Frank Willey,

The Idaho Department of Water Resources is in the process of reviewing your lease applications for approval. However, a discrepancy was found on both applications. Item E on page 2 of the application is the lease period. On one application you requested the lease period be from 4/15/13 to 10/31/17 and the other you listed 11/15/13 to 10/31/17. When do you want these lease agreements to start? Please note that for bookkeeping purposes the ending date on ALL leases is December 31.

Please let me know within 14 days when you would like these lease agreements to start. If I don't hear from you, your applications will be return unprocessed. If you have any questions, please contact this office 208-287-4800. Thank you.
