RE: Change in Ownership Water Right No. 74-247, 74-248, 74-249 & 74-404

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that the department has sufficient evidence of ownership to change the ownership for water right numbers 74-247 and 74-248, however additional information is required for water right numbers 74-249 and 74-404 before we can process the change the information required is indicated below:

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right. According to the legal description submitted with your application you only purchased a portion of the water rights and a split will be required. Please review the map attached showing the place of use of the water right and the property purchased according to your legal description. If a split is required an additional 150.00 will be required in order for the department to complete your request.

OR

**** **Evidence of Ownership:** copy of a 'recorded' Deed or other legal evidence of ownership of the property and/or water rights in question. Once you review the map attached if you believe you purchased the entire place of use of the water rights please supply documentation indicating your ownership in the portion of the water right not covered by the deed already received.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$1400.00 the department acknowledges receipt of \$350.00 however because the ownership change will result in a division of the water right an additional \$1050.00 will be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
