**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO(S). 37-26 and 37-27**

Dear Renter:

The Department of Water Resources acknowledges receipt of your application to rent water from the Water Supply Bank. I have enclosed a Water Supply Bank Rental Agreement for your review and signature. Upon signature and return of the original agreement, together with the rental fee described below, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

A rental fee of **\$7,267.50** was calculated based on the current rental rate of \$17.00 per acre-foot times a diversion volume of 427.5 acre-feet. A payment shall be received by the Department prior to the execution of this agreement.

Please send a check for \$7,267.50 made payable to the Idaho Department of Water Resources, together with the signed rental agreement, to my attention within 14 days so I can complete the processing. Pursuant to the Water Supply Bank Rules, 90% or \$6,540.75 of the rental fee will be paid to the lessor(s) and 10% or \$726.75 will be retained by the Department to offset administrative costs. If you have any questions, please contact me at (208) 287-4944.

Sincerely,

A handwritten signature in cursive script that reads "Cherie Palmer".

CONDITIONS OF WATER USE

1. The use of water under this agreement shall be subject to the provisions of Idaho Code § 42-1766.
2. The water rented under this agreement is appurtenant to irrigation of 171.0 acres.
3. Rental of the specified right from the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication or any other department application process.

**WATER RIGHT NO. 37-26
WATER SUPPLY BANK RENTAL AGREEMENT
CONDITIONS OF WATER USE**

4. This right is measured and administered at the point of redirection
5. Use of water under this agreement does not constitute a dedication of the water to renter's place of use and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to those authorized under the water right and/or again be available to rent from the bank.
6. This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
7. Use of water under this agreement shall not prejudice any pending permanent transfer applications that the renter has/will file(d) to modify water rights of the subject lands nor shall it prejudice any future rental agreement that may be made of the subject water right after this rental agreement expires.
8. Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
9. Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
10. Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
11. Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
12. Use of water under this agreement will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 37.
