Re: Ownership Changes

On 4/16/2013, a transfer application was received for rights 63-7427D, 63-7427E, 63-7427F, 63-7753A and 63-33309. Fees of \$1105 were receipted under Receipt No. W041034 with description and fund of Transfers. The receipt needs to be changed to reflect a transfer fee of \$980 and \$125 for 5 ownership changes. Deeds were supplied with the transfer application to document the ownership changes.

At the same time the transfer with ownership changes was received, 2 Water Supply Bank lease applications were also submitted. In order for the leases to continue forward for processing, the ownership changes needed to be processed. Therefore, although unusual, the changes to all five rights were made in the Water Right records as well as within the transfer application.
