RE: Change of Ownership for Water Right 27-10357 and Address Update

Dear Department of Water Resources:

I purchased the home and acreage at 216 S 550 W, Blackfoot, Idaho on October 22, 2010 as referenced on the enclosed warranty deed. Shortly thereafter I requested the transfer of water right 27-10355 but did not realize that there are two water rights associated with the property. I have enclosed the correspondence I received from you in relation to the transfer of 27-10355 as well as a new Notice of Change in Water Right Ownership for 27-10357.

Separately, our new address is 2100 W 97th S, Idaho Falls, ID 83402 and this should be the contact address for both water rights.

Please contact me at 270-0193 or aeddington@gmail.com if anything is unclear regarding this request.

Sincerely,

Aaron Eddington
