**RE: RELEASE OF A PORTION OF LEASED WATER RIGHT NO. 36-16683 FROM
THE WATER SUPPLY BANK**

Dear Mr. Roth:

In a letter received by the Department of Water Resources, you requested release of a portion of the water right referenced above from the Water Supply Bank. The following portion of your water right has been rented from the bank through October 31, 2014: .45 cfs, 96.0 af, for irrigation of 24 acres. This portion of the right cannot be released from the bank until the end of the rental term on October 31, 2014. An Amended Lease is enclosed for your signature to cover the rented portion, please sign and return at your earliest convenience. Please consider the remainder of .42 cfs, 92 af, and 23 acres released from the bank as of April 12, 2013.

Per your email I have completed a change of address on this water right. With the change in address IDWR Water Supply Bank, payments for rentals cannot be issued unless the Department has received a corrected IRS W-9 form. I have enclosed an IRS W-9 form, please complete and return the IRS W-9 for our records.

Generally the name of the lessor and the name on the W-9 match. However, if they do not match in your case, you will need to provide documentation of authority to receive payment. The address associated with the water right leased to the Bank will be updated in the Department database to the address provided on the W-9 form

I am returning your Request to Release a Water Right from the Bank form you sent to release the rented portion in 2014. The enclosed Amended Release Agreement will automatically be released on November 1, 2014 if you do not file a new Lease Application with IDWR by the expiration date of October 31, 2014.

The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

If you have questions, please feel free to contact me at 208-287-4951.

Sincerely,

A handwritten signature in cursive script that reads "Pamela S. Skaggs".

Pamela S. Skaggs
Water Rights Supervisor
