Travis and Shoshannah Hollon:

The Department of Water Resources received your request for ownership change on the above mentioned water rights. After reviewing your request we found additional information is needed before we can process this request. The additional information needed is the "Exhibit A" referenced on your warranty deed. The exhibit will have the legal description we need for the ownership change.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

You may send the necessary information to our office:
