RE: Water Right No. 45-7659

Dear Judith:

In processing the split for 45-7659 filed by the Kerry & Melanie Bowen confirmed you are the current owner of the property RP10S24E288900. The remainder of 2.5 acres of irrigation was originally used by Frank Gillette appears to be appurtenant to your property. Therefore, I am sending you a new Change of Ownership form. You will need to complete the new form showing Gillette as the previous owner and yourself as New Owners, attach the deed (old or new) and a map of the property. The Bowens paid the \$100 fee to split this right so the fee to change ownership at this time is \$25.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Before we can modify our records to reflect your ownership of the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee.

If you have any questions regarding this matter, please call me at 208-287-4910.

Sincerely,

A handwritten signature in cursive script that reads "Danni M Smith".
