RE: Change in Ownership of Water Right No. 45-7659

Dear Mr. & Mrs. Bowen:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received August 2, 2011. Our review of your notice indicates that additional information is required before we can process the change.

 X **Division/Split of Water Right Fees:** the fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. This water right is for 56.4 acres of irrigation within the place of use including the parcels you have purchased, so a split will be required resulting in an additional fee of \$75 per water right. \$25 was paid on receipt #S032076 leaving a total additional fee of \$75.00 due. In reviewing the licensed place of use it shows irrigation of 2.5 acres on property owned by Judith Pederson which would leave your property with 53.9 acres of irrigation. I have enclosed a map with the Pederson property outlined in red.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
