RE: 2013 Irrigated Acres on North Slope Property.

Dear Blake:

As you are well aware, the conditions of Water Right Nos. 25-57A, 25-57B, 25-59, 25-136B, 25-137B, 25-7494C, 25-7567, and 25-7592 require Foster Land and Cattle to notify the Department when they make any changes to the acres that they intend to irrigate with these water rights. These water rights allow for the irrigation of 2457.1 acres. Attached is a map showing the acres that will be irrigated in 2013. I will send a shapefile of these acres via email.

If you have any questions, do not hesitate to contact me.

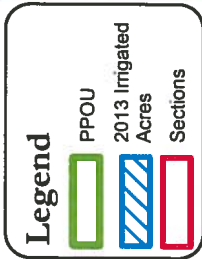

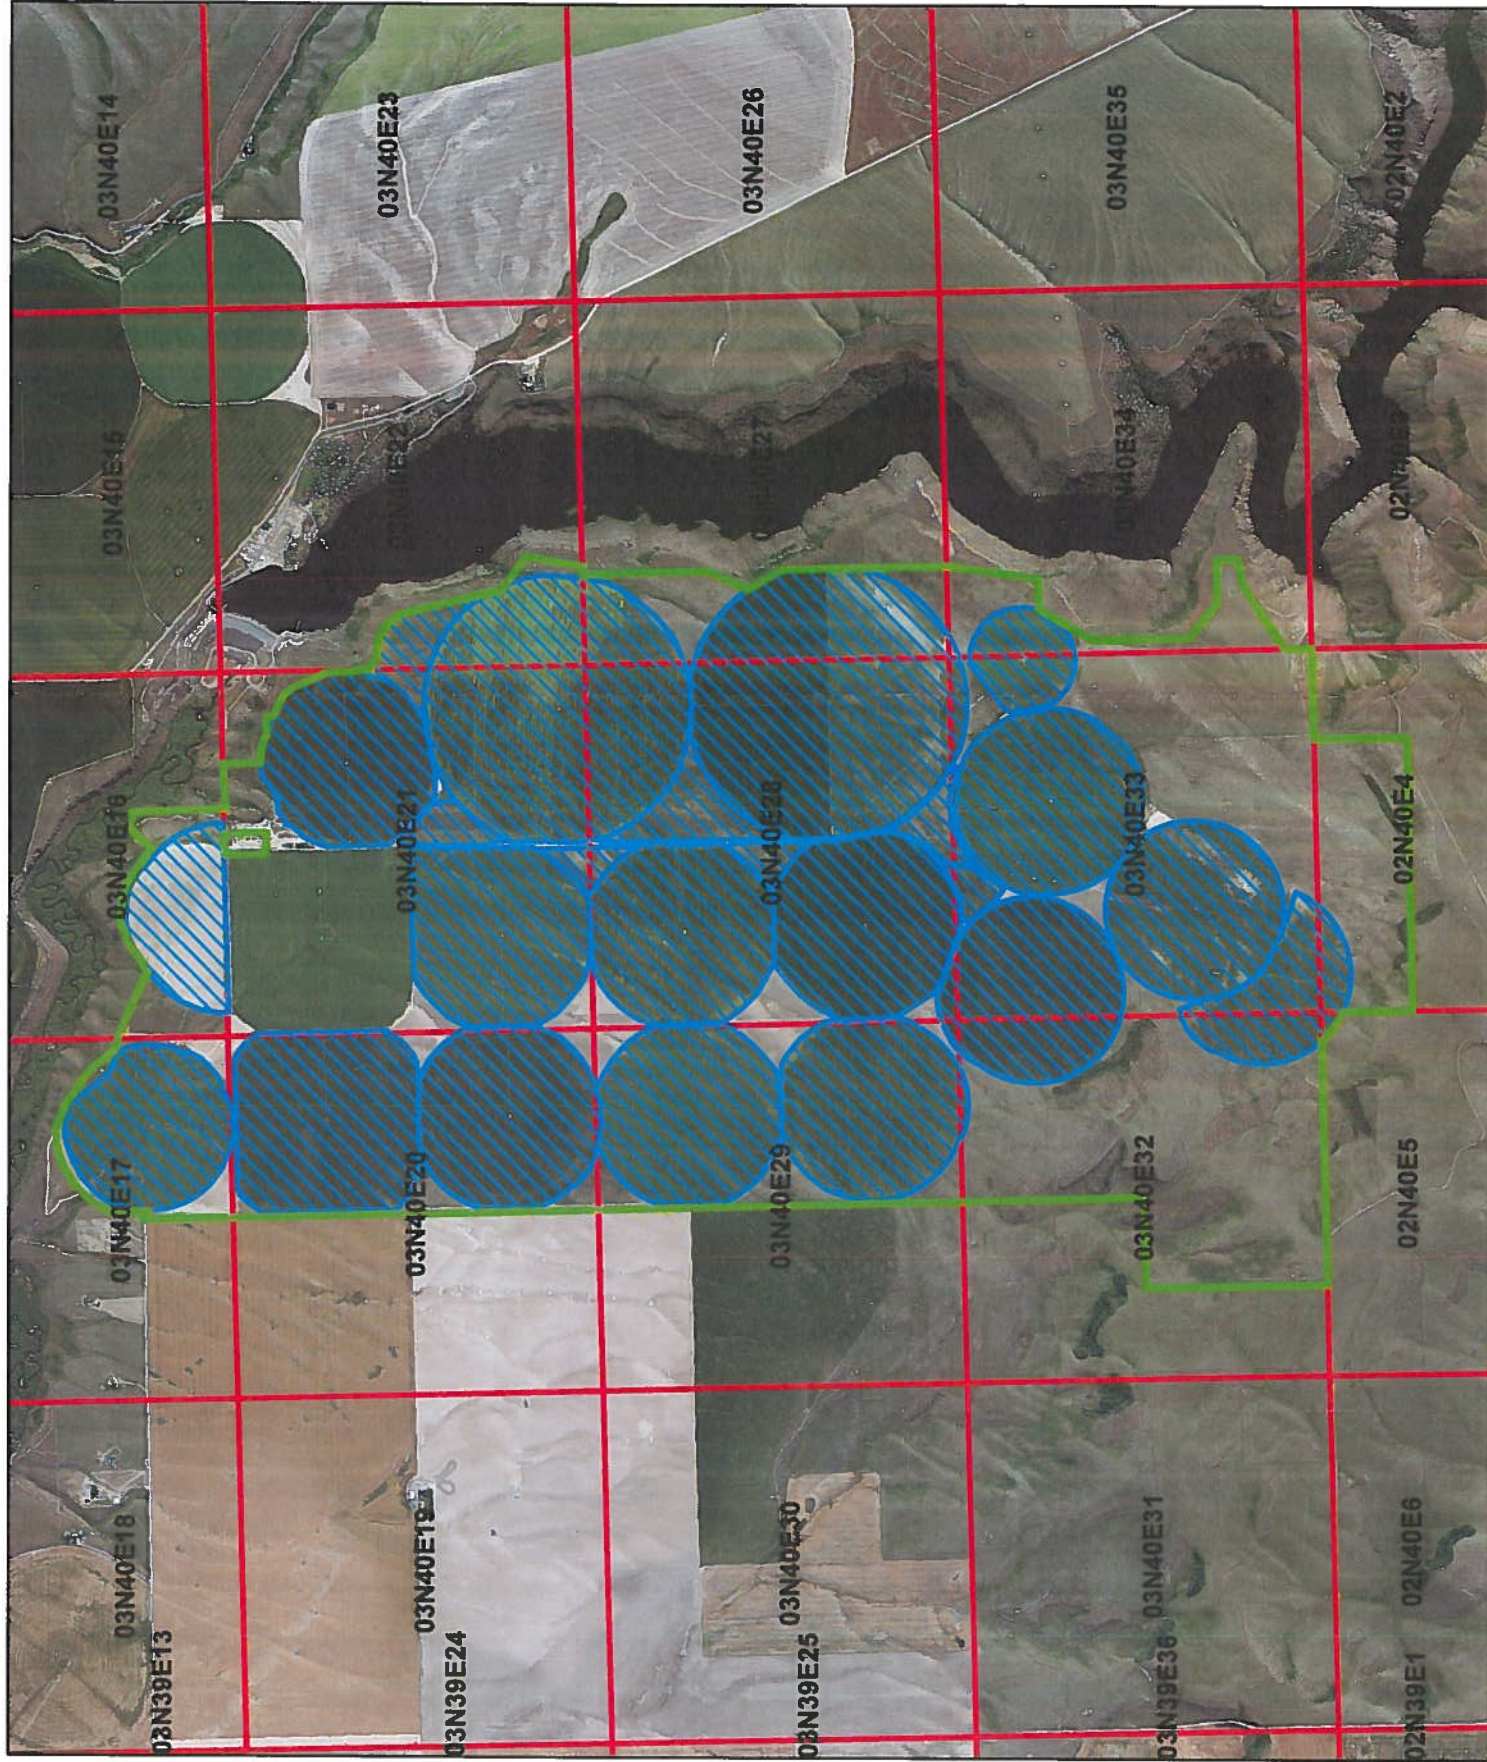

Best Regards,

Luke H. Marchant
