Good afternoon, Sascha,

Please interagency bill the Idaho Department of Lands as requested in the attached letter/memorandum, together with a copy of the application for permit to draw water from a well.

Our PCA code for Water Right applications is **65103**

The Copy of the older WR attached is the one referenced in the new application under item 9. It currently supplements backs-up the newer well. That paperwork came in as part of the new application package.

If you need any further information you can contact Dan Brown at IDL in Priest Lake – at DBrown@idl.idaho.gov or by phone at 208-443-2516. IDL authorization contact is listed in Dan Brown's Memorandum.

Eric Davis will be working on this at our office – eric.davis@idwr.idaho.gov

Please let me know the billing number as soon as you are able to bill. We will add that into the data entry in lieu of a receipt number.

Thanks, Sascha.

Hoping you will have a happy 4th holiday – sunny and warm. We have had a deluge of rain starting last night and about an hour ago it dumped buckets worth! We're being told the weather will be nicer tomorrow but presently it doesn't seem to be offering much hope to go along with the forecast ☺
