Re: Jentzsch-Kearl Farm Rental

Dear Mrs. Skaggs:

Jentzsch-Kearl Farm purchased a farm from Ardel Wickel in December of 2012. The farm is located in Lincoln County. Ardel Wickel had applied for and received a rental agreement for this farm for 55.6 acres. The owner of the 55.6 acre rental is now Jentzsch-Kearl Farm.

It is the desire of Jentzsch-Kearl Farm to amend the rental agreement by reducing the rental acres to 30.9 acres. The rental period will remain unchanged by this amendment. The 30.9 acres are identified in the rental application and an attached aerial map.

The proposed water rights to be rented are 36-2430, 36-8008, 36-8402, 36-8624, 36-16553 and 36-16924.

The 24.7 acres that are being amended out of the rental application will be covered by permanent water rights through a transfer that has been submitted to IDWR. The 2013 rental fee of 123.4 acre feet multiplied by \$17.00 per acre feet is \$2087.80.

Please copy our office on all correspondence regarding this application. Thank you for your assistance and if you have questions or comments, please don't hesitate to call.

Sincerely,

Greg Sullivan, M.S.
