RE: Permit No. 65-23245

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **April 1, 2018**.

Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of these projects during the construction period allowed because the department **will not** grant an additional extension based on good cause, according to Section 42-204(6), Idaho Code.

The additional \$100.00 receipted by the department for a license examination in reference to the statement of completion ("proof") form submitted will be refunded to the payer. Enclosed is the original proof form that was inadvertently filed with your extension request form. The proof form is being returned unprocessed. The payer should receive a State of Idaho check for \$100.00 within ten (10) business days under separate cover.

Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Also forms are contained on the Department website: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,

Darla Block
