RE: Returned Water District 130 Assessment Notice
Change of Ownership for Water Right Nos. 36-7460N and 36-13354

Dear Mr. and Mrs. Eames,

The Water District 130 Assessment notice for Brad and Sally Fife was returned to this office. In researching the return, we were advised that you are the current owners of the property referenced above. If this is correct, please complete the following:

The enclosed the 2013 Annual Assessment Notice for the Dairy well (Site tag-A0002881) with a fee of \$100 dollars.

The enclosed form to change ownership for this property. When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. Please complete the enclosed Notice of Change in Water Right Ownership form. Be sure to include a fee of \$50, sign the document, and submit a deed as per the instructions.

Please return the 2013 Annual Assessment, the completed ownership change form along with the required support documentation and fees to my attention. I will be happy to update our records upon receipt of this information.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact me or Water Master Cindy Yenter (208) 736-3033 if you have any questions regarding this matter.

Sincerely,
