35-13991, 43-13595, and 43-13597**

Dear Renter:

The Department of Water Resources received a request from the rightholder of Right No. 35-14162 asking that 35-14162 be released from the Bank. Your rental was previously authorized under 35-14162, but we were able to review other leased rights in the area and provide you with a comparable rental agreement for the rest of your rental term.

I have enclosed a new Water Supply Bank Rental Agreement for your review and signature. Please review and sign this amended agreement. Once we receive your signed copy, we will sign it myself and send a copy to you.

A rental fee of \$5,364.00 per year was calculated based on the current rental rate of \$14.00 per acre-foot times a diversion volume of 384.0 acre-feet. This payment will be due within 14 days of this letter. The agreement will be void if payment is not received prior to the due date in a given year. If you would like to terminate the agreement prior to the end of the rental period, you must submit written notice of your intent to the Department at least 30 days prior to the rental fee due date. Per the Water Supply Bank rules, \$536.40 of this fee will be retained by the Department for administrative costs. The balance, \$4,827.60 will be paid to the rightholder.

If you have any questions, please contact us at this office.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
