RE: Water Right Permit Numbers 74-7339, 74-7340, and 74-15846

Dear Permit Holder(s):

On December 3, 2012, December 19, 2012, and January 9, 2013 the Department of Water Resources received the signed Application for Amendment for licensing purposes you submitted for permits 74-7339, 74-7340, and 74-15846. Unfortunately, there was an error in the annual volume description. The amendments you submitted listed following annual volume amounts:

74-7339	Annual Volume = 264 acre feet
74-7340	Annual Volume = 303 acre feet
74-15846	Annual Volume = 331.8 acre feet

The annual volume amounts are actually:

74-7339	Annual Volume = 303 acre feet
74-7340	Annual Volume = 346 acre feet
74-15846	Annual Volume = 290 acre feet

Enclosed is a replacement application for amendment with an updated point of diversion description. Please sign and submit the replacement application for amendment and return it to this office within **14 days** of receiving this letter.

By submitting the enclosed application for amendment, IDWR will consider it a request to withdraw the original amendment received on December 5, 2012, and replace it with the new amendment. **Fees previously paid in December and January will be applied to the current applications for amendment so no additional fees are required.**

I am very sorry for the inconvenience. Please feel free to contact me with any questions at (208) 287-4916.

Respectfully,

Daniel A. Nelson
Staff Hydrologist

Enclosure(s): Application for Amendment of permits 74-7339, 74-7340, and 74-15846
