Wow, what unbelievable timing. I just received the last two amendments today from Fish and Game. Can you do the interagency billing for these two licensing amendments? The PCA code is 56105. The two water rights are as follows:

74-15063 - \$100.00
74-7339 - \$100.00

Water rights 74-7339 and 74-15063 came in under the same letter head. I have scanned the letter and the two amendments in the attachment.

Thank you Sascha, I really appreciate your help.

Hello Sascha

I have 3 new licensing amendments that I need interagency funding done for. The PCA code is 56105 (aren't you proud of me that I remembered this time:)). The three water rights are as follows:

74-7340 - \$100 fee

74-15064 - \$100 fee

74-15846 - \$100 fee

Water rights 74-7340 and 74-15064 came in under the same letter head. I have scanned both letters and all three applications in the attachment.

Thank you Sascha, I appreciate it.
