RE: Application For Permit No. 36-16948

Dear Applicant(s):

Per the recent Prehearing Conference held by the Department, your **amended** water right application is currently being processed and advertised.

A legal notice of the **amended** application has been prepared and is scheduled for publication in the **TIMES NEWS on 4/4/2013 and 4/11/2013**. Protests to this application may be submitted for a period ending ten (10) days after the second publication (**April 22, 2013**).

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

A handwritten signature in cursive script that reads "Denise Maline".
