RE: Trudy Day water right review on 08-02-2012, 98-7193

I had a copy of the field report of 06-20-1988 to compare with the facts of the day. The home of Trudy Day is the same home that was photo exam in 1988. The home and point of diversion was photographed and GPS. The photos of the diversion are distorted because of the downpour of rain.
