Subject: ***Application to Withdraw 5.5 Acres from Leased Water Right 63-31763***

Dear Monica,

Currently, Meridian Joint School District No. 2 has 25 acres of water right 63-31763 leased to the Bank. They recently received approved transfer Nos. 78266 and 78267 allowing a total of 5.5 acres of water right 63-31763 be transferred to two separate schools; 3.0 acres to Meridian Middle School and 2.5 acres to Meridian Academy. As a result, enclosed on behalf of the School District, is an amended Water Bank Lease Application for water right 63-31763 that does not include 5.5 acres in the NESW currently enrolled. Water appurtenant to these acres will be used in accordance with the approved transfers.

Please let me know if there are any questions. Thanks Monica.

Sincerely,
