Shelley,
I've drawn out the water lines for my property and attached. I didn't know if the color scan would be light enough so drafted an outline version. Let me know how this is progressing.
Thanks for your time.
Sincerely,
Jeanette

Shelly,

I recieved this permit, thank you. I am working to get a copy of my property in order to provide the water line set up we spoke about. I want it to be clearly defined so will get that to you the first of the week. I work full time so will have time to work on it this week end.

Sincerely,
Jeanette
