T.J. and Travis:

We have a telephone status conference scheduled in this contested case for tomorrow morning (March 20th) at 9:am. Travis called this morning and asked whether the conference could be delayed by two weeks. He said that negotiations between Ward & Sons and Mr. Williams are ongoing and that the parties could benefit from two more weeks of discussion. It sounds like you are both in agreement on moving the status conference. So, the conference has been rescheduled as follows:

Ward & Sons Transfer – Rescheduled Telephone Status Conference
Wednesday April 3, 2013 at 9:00 AM
Telephone: 1-888-706-6468
Participant Code: 265275#

Let me know if there are any issues with the rescheduled meeting time. I've sent this email to the email addresses collected during the January pre-hearing conference. You may still want to contact your respective clients to notify them of the change.
