Subject: FW: Water Rental Application

This rental will need to be closed. I don't believe they've offered any payment.

Subject: Water Rental Application

Monica,

We are not able to use the water rights 2-2371, 2-10032, 2-10034, 2-10035, and 2-10477 for which we had applied to rent for the 2013 water year.

Thanks,

Steven Tarbet
