RE: Permit No. 57-11595

Dear Permit Holders:

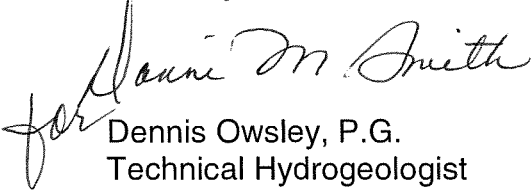

I previously forwarded to you an Application for Amendment so that you could amend Permit No. 57-11595 to correspond with the findings of the Department's field examiner.

IDWR received your signed Application for Amendment of Permit on March 19, 2013, however the \$100 fee was not received. The fee is \$100 per §42-221C, Idaho Code and fee was addressed in my letter sent to you on January 29, 2013, but not addressed in my letter of March 14, 2013.

Please submit the required \$100 fee within fourteen (14) days or your Water Right License will be issued for less than could have been allowed.

If you have any questions, please contact me as soon as possible at (208) 287-4855.

Sincerely,

for Dennis Owsley, P.G.
Technical Hydrogeologist
