**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO(S). 2-10450**

Dear Renter:

I sent you a rental agreement in September 2012 adjusting your rental to include only Right No. 2-10450, not 2-7065C, which reflects your ownership of Right No. 2-7065C. However, as you rightly pointed out, the previous contract was at the previous rental rate and that rental rate should have held constant with the new agreement. Therefore, I am including a revised rental agreement showing the rate of \$14 per acre-foot times a diversion volume of 1,416 acre-feet, which totals \$19,824.00.

Please send a check for \$19,824.00 made payable to the Idaho Department of Water Resources, together with the signed rental agreement, to my attention within 14 days so I can complete the processing. Pursuant to the Water Supply Bank Rules, 90% or \$17,841.60 of the rental fee will be paid to the lessor(s) and 10% or \$1,982.40 will be retained by the Department to offset administrative costs. If you have any questions, please contact me at (208) 287-4907.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
