Here is a copy of the Warranty
Deed you that ~~were~~ missing from my paper
work. I applied for a change in Water Right
ownership.

Also as a favor if you can, I would like
a copy of the plat you had drawn out for
the legal descriptions from both warranty deeds.
This would be helpful to me in resolving the
issue of non closure between the two tracts.
I need to get this issue resolved so it
doesn't become a problem in the future.

If you have questions please give me
a call 208-534-8⁷86

Thank You
