RE: Change in Ownership of Water Right Nos. 85-11524 and 85-11525

Dear Mr. Bennett:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership removing the name of Sherill D Bennett. Our review of your notice indicates that additional information is required before we can process the change.

✓ **Filing Fee** of \$25 each for water rights 85-11524 and 85-11525.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice on these rights will be a total of \$50.00.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Your deed and change of ownership form is completed accurately and upon payment can be processed quickly.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Danni M. Smith".
