Re: Water District 47-0
Change of pumping position from East Ditch to Rock Creek
Brent Funk & Chalet Funk

I Francisco (Poncho) Villalobos Farm Manager of Rock Creek Ranches hereby declare that I have no problem with Mr. Funk changing his diversion out of the east ditch of Rock Creek and pulling his water directly out of the main stream of Rock Creek. The diversion location will not change; the only change, he will make, is to pump directly out of the stream instead of the ditch.

Sincerely,

Francisco Villalobos
Rock Creek Ranches, Manager
