PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No.74-15702

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

A handwritten signature in cursive script that reads "Deborah J. Gibson".

Assistant to the Director
