RE: Water Right Nos. 63-151 and 63-10397

Dear Mr. & Mrs. Nevill:

In processing the split for 63-151 filed by the Thorpe Family Trust I confirmed you are the current owners of the property. It appears you submitted ownership changes in 1996 and 2006 in the Snake River Basin Adjudication (SRBA) but ownership documents were not processed and cannot be found in the Adjudication file. Therefore, I am sending you a new Change of Ownership form and the copy of the documents submitted by the Thorpe Family Trust showing chain of title. You will need to complete the new form showing Farris S. Lind as previous owner and yourselves as New Owners, attach the deed (old or new) and a map of the property. The Thorpe Family Trust paid the \$100 fee to split this right so the fee to change ownership at this time is \$25.

In addition, I found your change of ownership filed on water right 63-10397 submitted in 1996 was processed. But the County records indicate you have had a change of address since it was processed. I have added a change of address form to update this water right. No fees are required for us to update the record. If the Diamond Street address is still correct, please disregard this paragraph.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Before we can modify our records to reflect your ownership of the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee.

If you have any questions regarding this matter, please call me at 208-287-4910.

Sincerely,

Danni M Smith
