RE: Change in Ownership Water Right No. 74-247, 74-248, 74-249 & 74-404

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that the department has significant evidence to change the ownership on water right numbers 74-247 and 74-248 however additional information is required for water right numbers 74-249 and 74-404 before we can process the change. The information required is indicated below:

**** **Filing Fee:** of \$100 **per water right** for changes resulting from division of a water right. According to the legal description submitted with your application, you only purchased a portion of the water right and split will be required. Please review the map attached showing the place of use of water right and the property purchased according to your legal description. If a split is required an additional \$150.00 will need to be submitted.

OR

**** **Evidence of Water Right Ownership:** copy of Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question. Once you review the map attached if you believe you purchased the entire place of use of the water right, please supply documentation indicating your ownership in the portion of the water right not covered by deed already received.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

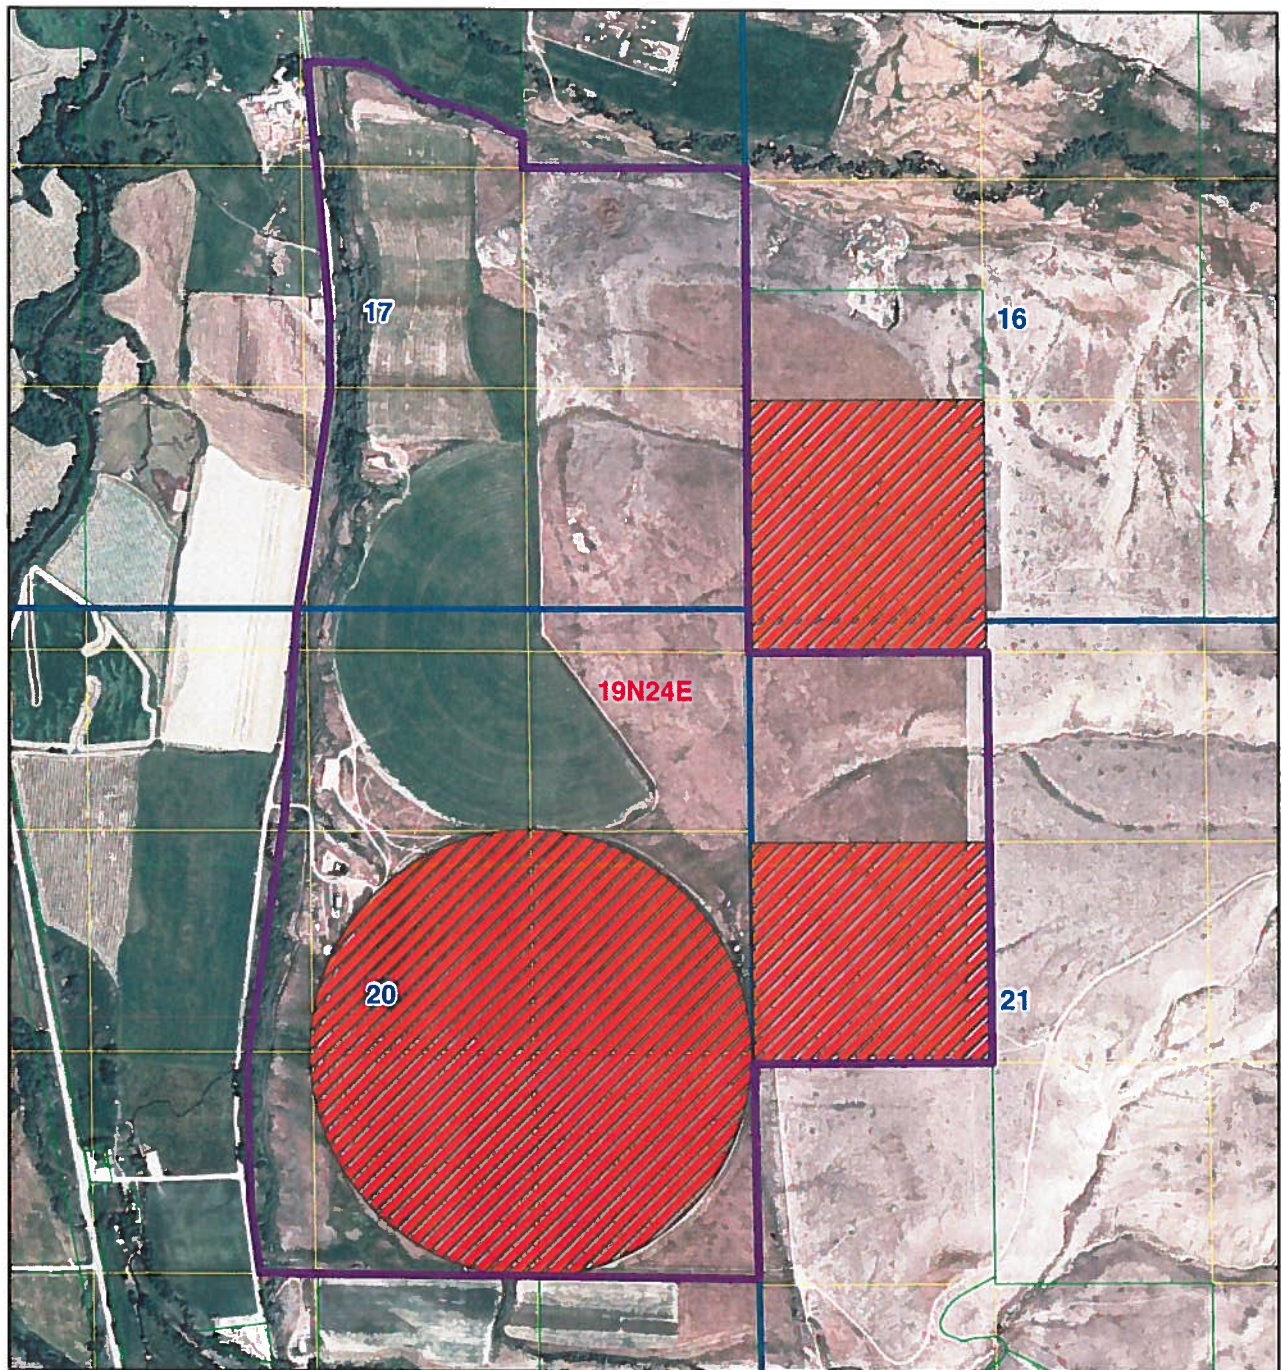

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
