Hey Kerrie,

We received the attached application for amendment here at the S.O. I see your tracks in Adhoc so I thought I would contact you. I will have the amendment scanned into Docs and put in the file over here. I assume you will be issuing the license out of Eastern?

Anyway, I wanted to let you know it was in and send you a copy.

Let me know if you need us to do something from here, otherwise, we will assume you got it.

Oh...if this isn't yours, just let me know.

Thanks,  
Craig
