RE: APPLICATION TO LEASE WATER RIGHT NO 41-7029B TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources has completed its review of your application to lease the above-mentioned water right to the Water Supply Bank. The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will remain in the Bank **indefinitely**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the Bank, you must submit a request in writing, along with all applicable fees, to the Department. Be aware your right may not be available for immediate release if they have been rented.

Please review the conditions of acceptance listed on the Lease Acceptance, including #3 which says, "While a right is in the bank, **the lessor may not use the right** without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

Contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
