RE: Hearing Request for Water Right No. 45-07385

Dear Ms. Palmer:

Thank you for your letter dated January 31, 2013. We have reviewed documents in the possession of the previous owner of the property in question, and feel that we have sufficient evidence to proceed with a hearing. Among the records are extensions granted from the original water right permit date of August 20, 1979 through October 1, 1992. Proof of Beneficial Use was submitted on April 29, 1991. Also on file are other expenses recorded in the 1980s and early 1990s that exceed \$15,000. I will continue to review the documents on hand, and will also view online the documents that you mentioned.

I see a February 2013 calendar, but since we are now at the end of the month, I hope that we could schedule a hearing for sometime in March. I am available any time after March 7, 2013 until March 25th, or during the month of April.

Thank you for your attention in this matter.

Sincerely,

Wayne Hurst
