Idaho Falls, ID 83402-1718

Dear Mr. Swank:

RE: Withdrawal of Protest:
Amended Application for Transfer No. 77898 (renumbered to No. 78366) involving water rights 33-00032A, 33-00033A, 33-00035A, 33-02068A, 33-07202 and 33-10997, f/b Pancheri, Inc.

By this letter, I state that I have the authority to act on behalf of the United States Department of Interior, Bureau of Land Management (BLM), with myself as its agent, to the matters discussed herein.

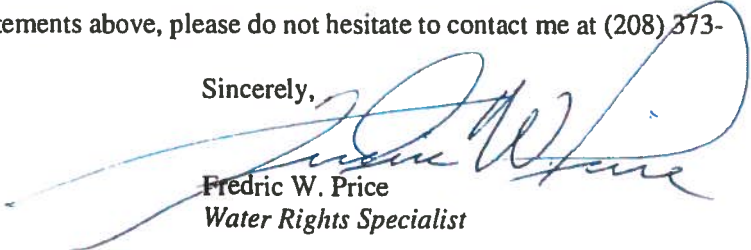

BLM protested the original Application for Transfer No. 77898 because: it included Places of Use (POU) on BLM land within NESW, SWSE, S34, T09N, R27E that represent a trespass; and IDWR's electronic representation of the transfer included POUs on BLM within in NENW, NWNW, SWNW, SENW, NESW, SWSW, SESW, S21, T08N, R27E due to a typographical error (i.e. should be T09N).

IDWR provided an Amended Application for Transfer (received by IDWR on 12/14/12) via letter dated 12/17/2012, which was prepared in response to BLM's protest. The Amended Application for Transfer resolves BLM's protest by: (1) not including the trespass POUs on BLM in this amended application; and (2) IDWR has corrected the typographical error in their electronic system for the T08N POUs by re-describing them in T09N on private land.

I hereby withdraw BLM's protest based on the Amended Application for Transfer filed on 12/14/2012, so that IDWR can continue processing the transfer.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,

Fredric W. Price
Water Rights Specialist
