RE: Change in Ownership Water Right No. 35-7502

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question. The department has been holding your application for a copy of a 'recorded' Quit Claim Deed for the water right in question. As of today the department has not received that document. Please supply a copy of the recorded Quit Claim Deed for the water right at your earliest convenience.

**** **Filing Fee:** According the receipt filed with the department a refund has been submitted for the previous ownership change that was returned (a copy of that receipt is attached). In order for the department to complete your ownership change you will need to file the \$25.00 filing fee. A search has been complete for the water right number in question and under your name; if you believe you have already paid the filing fee please inform us of the receipt number.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
