RE: Water Supply Bank Lease for 65-23319 AND 65-23378

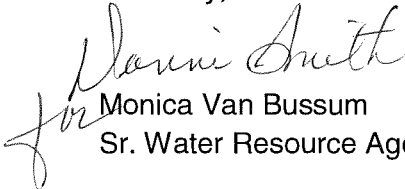

Dear Lessor:

This letter is to update you on the status of your water rights listed above. These water rights were leased into the Water Supply Bank on November 1, 2005. **Part of your water rights are considered leased into the Bank, and should remain unused, until you released from the Bank.**

If you wish to leave your water rights leased to the Bank, and unused, you do not need to do anything. To release your water rights from the Bank, go to the Department's website at www.idwr.idaho.gov, go to the Water Right Forms page and, underneath the Water Supply Bank section, download the Request to Release or Lease Term Extension form. Then complete the form and mail it to me at the address above. Please be aware your right(s) may not be available for immediate release.

Again, your water right is considered leased to the Bank, and should remain unused, until you release it. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

for Monica Van Bussum
Sr. Water Resource Agent
