Monica,

Sorry about the delay in getting this wrapped up. Things slowed down over the holidays and then the IDWR Eastern Region office requested some revisions to the permit applications that may necessitate an amendment to the water supply bank applications. I hope to have everything wrapped up this week. Thanks for your patience.

Attached are our November 26 emails for your records if you'd like.

Hi T.J.,

We last emailed about this Pr Production lease back on November 26th. I have a printout of the email but, sadly, can't find an original version. In it, we talked about the lease for 01-28F being filed in the name of P4 Production and Monsanto Co is the owner of Record. We also talked about the \$250 lease application fee. Your email to me said you were going to talk to your client about the name change and send a \$250 lease application fee.

I checked our receipt records and I don't see a check received, and I'd like to check up with you on the name of the lessor. Thanks.

Monica
