RE: Change in Ownership of Water Right No. 36-8453

Dear Mr. & Mrs. Wakley:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

☒ **Filing Fee** of \$25 per water right

☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. Documents provided with the form show ownership through Massey Ferguson Retirement Trust Fund, but no recorded deed assigning ownership to Agri-Service, Inc.

☒ **Plat of Property or Survey Map** usually on file with the county

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Danni M. Smith".
