Re: Northern Agriculture Lease and Rentals

Dear Mrs. Van Bussum:

Four rental application were submitted to the Idaho Water Supply Bank in October of 2012 for Lance Funk. The rental applications cover acres in four different farms; Huse 1 Farm, Huse 2 Farm, NPVR Farm and the Burgermeister Farm. This letter and attachment lease and rental applications cover the remaining portion of these farms currently not covered by a water rights.

Northern Agriculture desires to lease water rights 35-7788B, 35-7789, 35-14058 and 35-14056 to the Idaho Water Supply Bank from 2013 through 2016. This water rights have historically been used as primary ground water. The land currently irrigated by these water rights will no longer receive ground water for irrigation. Water from the Aberdeen Springfield Canal Company will be utilized to irrigate these fields.

Lance Funk is submitting applications to rent the Northern Ag water rights to the portions of the Burgermeister and NPVR Farms. The Burgermeister rental applications is for three years of water use at 302.0 acres of irrigation and 15.5 acres of off setting none use from 35-7534B. The rental will be for three years. The NPVR rental is for three years of water use at 270.0 acres of irrigation and 11.0 acres of off setting non use from 35-7534B and 5.0 acres of off setting none use from 43-14058 and 43-14056.

ESPA Model analysis has been performed and are attached to the rental applications.

The rental applications are intended to provide temporary water to the Burgermeister and NPVR Farms until permanent water can be secured.
