Re: Lease of 35-13609, 35-7246M and 35-7632A

Dear Mrs. Van Bussum:

Water rights 35-13609, 35-7246M and 35-7632A have been purchased by William and Joanne Toevs. It is the desire of the Toevs to lease these water rights to the Idaho Water Supply Bank for the 2013, 2014 and 2015 irrigation seasons.

These water rights were released from the Idaho Water Supply Bank at the end of 2012. The two pivots under these water rights will be dry farmed or irrigated with canal shares during the lease period. No ground water will be applied to the two pivots.

Please copy our office on all correspondence regarding this application.

Sincerely,

Greg Sullivan, M.S.
