RE: *Application for Exchange of Water Involving Consolidated Irrigation Company Water Rights.*

Dear Blake:

Enclosed for processing is an *Application for Exchange of Water* filed on behalf of Consolidated Irrigation Company. We met with you and James Cefalo approximately a month ago to go over the basics of the exchange and to ensure that we had enough information to submit the application. If you have any questions or concerns regarding the application, or would like us to email any of the GIS shapefiles, please do not hesitate to give us a call.

You will note that we have not included the filing fee of \$2,020 for this Exchange Application. The check for this amount will be sent to our office, which we will then forward to you. We anticipate having it within the next two weeks, but wanted to provide this to you for your initial review and to begin processing it. We appreciate your attention to this matter.

Best Regards,

Robert L. Harris
