RE: Notice of Security Interest in a Water Right 27-10149 & 27-11897

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note the department could not add a security interest to water right numbers 27-4025 or 27-12035 because the water rights are not appurtenant to the land listed on the Real Estate Mortgage nor are they owned by Charles and Carol Dansie. Because the security interest could not be listed you are entitled to a \$50.00 refund. The department has initiated the refund and it should arrive from the state office in couple of weeks.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
